Join the Atlantic States Rural Water & Wastewater Association

The Atlantic States Rural Water and Wastewater Association (ASRWVA) is a private, non-profit organization with a very simple goal: Representing rural water and wastewater systems throughout Rhode Island and Connecticut. The Association is run by and for rural systems.

Our program includes **training classes** for water and wastewater system personnel and administrators on federal and state rules, operation and maintenance, and finance. We are an **information network** keeping you in touch with your neighbor's system, regulatory agencies, and the legislature: and an **effective voice** in matters that concern you.

In short, our Association is here for you, on everything from operator certification training to securing a grant.

We might not have all the answers, but we usually know where to find them!

Please contact us with any questions. You can reach us at (860) 889-6373, via email; asrwwa@asrwwa.org, or on-line at www.asrwwa.org.

“Representing rural water and wastewater systems throughout Connecticut & Rhode Island.”

We are ready to work with you on...

- Operator Training
- Source Water Protection
- On-Site Technical Assistance
- Grant & Loan Information
- Consumer Confidence Reports
- Certification Exam Reviews
- Rate & Salary Surveys
- Compliance & Permits
- Leak & Line Location
- Safety Plans

..... and more!
