

WASTE WATER TREATMENT PLANT CLASS III OPERATOR

Aquarion Water, a leading company in the wastewater and water contract operations industry is seeking a State of Connecticut Wastewater Treatment Plant Operator holding a valid Class III license or capable of being certified as a Class III operator within 275 days of hire for our New Hartford contract. Duties will include: Providing day-to-day management, oversight, process control and operation of municipal wastewater treatment plant, pump stations and collection network. Facility is a 0.4 mgd sequencing batch reactor (SBR) with UV disinfection. The successful candidate should have a minimum of 8 years experience including 3 years of supervisory experience in the operation of secondary biological treatment processes. SBR operational experience is a plus. Depending on experience, the hourly range for the Class III Operator is \$28 - \$35.

Qualified candidates may email resume to hrtemp@aquarionwater.com or fax to (203) 337-5938. Aquarion Company maintains a drug free workplace and is an equal opportunity employer.
