May 2022

Dear Community Water Supplier:

The 1996 Safe Drinking Water Act Amendments require you to prepare an Annual Drinking Water Quality Report, also known as a Consumer Confidence Report (CCR) each year, no later than July 1<sup>st</sup>. A CCR describes the quality of your water, your source of supply, testing results, and violations (if any).

We are pleased to announce that under this special offer, ASRWVA will prepare CCRs once again this year for its voting members for the cost of \$200.00 per report. Join ASRWVA as a System Member and get your 2021 CCR for only \$200 per report! The cost of the CCR for non-members is \$250.

We will provide our members with the following services:

1. Prepare your 2021 CCR
2. Provide you with a final copy
3. Provide instructions on how to distribute your CCR and inform your customers and State agency
4. Post your 2021 CCR on our website to assist you in meeting regulatory requirements

To ensure that we can help all of you meet the compliance date of July 1, 2022, please be sure to return this completed form to our office at your earliest convenience, however no later than **Friday, May 13, 2021!** Along with this form, please submit full payment to: ASRWVA/45 Salem Turnpike #1007, Norwich CT 06360. Once payment is received your system will be notified where to send your **2021 lab data/testing results**, any **violations** and **public notices** you may have received in 2021. If you have any questions or concerns, please email: [rita@nrwa.org](mailto:rita@nrwa.org). We look forward to working with you on your CCR!

### 2021 Connecticut CCR Request Form

Yes, please prepare our 2021 CCR – *Please complete a separate form for each water system (PWSID) requesting a report*

System Name: \_\_\_\_\_ PWSID #: \_\_\_\_\_

Contact Person: \_\_\_\_\_
